Purpose of the procedures

The purpose of these procedures is to confirm how WEST BRIDGFORD SCHOOL deals with candidates' requests for access to scripts, clerical re-checks, reviews of marking, reviews of moderation and appeals to the awarding bodies in compliance with JCQ regulations (GR 5.13).

Details of these procedures are made widely available and accessible to all candidates by: the signposting of relevant dates on the school website through the summer season and then confirming these in person on results days.

The arrangements for post-results services

- Candidates must be made aware of the arrangements for post-results services prior to the issue of results (GR 5.13)
- A review of moderation cannot be undertaken upon the work of an individual candidate or the work of candidates not in the original sample (PRS 4.3)
- The appeals process is available after receiving the outcome of a review of results (PRS 5.1)

At WEST BRIDGFORD SCHOOL:

- Candidates are made aware of the arrangements for post-results services prior to the issue of results

- Candidates are also informed of the periods during which senior members of centre staff will be available immediately after the publication of results so that results may be discussed, and decisions made on the submission of reviews of marking (GR 5.13, PRS 4.1)

Candidates are made aware/informed by:

- the signposting of relevant dates on the school website through the summer season and then confirming these in person on results days.

Full details of the post-results services, internal deadline(s) for requesting a service and the fees charged (where applicable) are provided by The Exams Officer.

This information is made available to candidates and centre staff on results day/following the issue of results.

Dealing with requests

- All post-results service requests from internal candidates must be made through the centre (GR 5.13)

At WEST BRIDGFORD SCHOOL the process to request a service is:

- by completing a Post-results services: request, consent and payment form available from the exams officer.

Candidate consent

- Candidates must provide their **written consent** for clerical re-checks, reviews of marking, and any subsequent appeal, and access to scripts services offered by the awarding bodies **after** the publication of examination results (GR 5.13)

(As applicable, it will be ensured that any private candidates are made aware that all post-results service requests can be made directly through the relevant awarding body)

WEST BRIDGFORD SCHOOL will:

- Acquire written candidate consent (accepting informed consent via candidate email) in all cases before a request for a clerical re-check, a review of marking, and any subsequent appeal, or an access to scripts service request is submitted to the awarding body
- Acquire informed candidate consent to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded
- Only collect candidate consent **after** the publication of results
- Retain consent forms or e-mails from candidates for at least six months following the outcome of a clerical re-check or review of marking or any subsequent appeal (PRS 4.2)
- Retain consent/permission forms or e-mails from candidates to request and use their scripts for at least six months (PRS Appendix B)

Additional centre-specific actions:

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for a RoR service is submitted to the awarding body as with these services candidates' marks and subject grades may be lowered. If a teacher wishes to request a copy of a script to support teaching and learning candidate consent is also required. Candidate consent can only be collected after the publication of results.

1. If a concern is raised about a particular examination result, teaching staff will decide whether the school

will request a review of results.

2. Where the centre does not uphold a request from a candidate, the candidate may pay the appropriate RoR fee to the centre, and a request will be made to the awarding body on the candidate's behalf as long as the payment and request is received by the Exams Office before the internal deadline (which is published to the candidates on results day).

3. If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support an enquiry, an internal appeal can be submitted to the centre by completing and submitting to the Exams Office the internal appeals policy will apply

4. If a candidate wishes to request a copy of a script to support their learning a request will be made on their behalf as long as the payment and request is received by the Exams Office before the internal deadline (which is published to the candidates on results day). The priority access to scripts service should always be requested if a candidate's university or college place is at risk and this is explained in the information given to candidates on results day.

5. If a candidate requests a review of results a copy of the script can be requested at the same time. It may not be possible to request the script after this point.
