Headteacher

The West Bridgford School

June 2021

Dear Parent(s)

Application for Applied Technology Assessment (September 2023 entry for Year 7)

Thank you for taking an interest in applying for a place at the West Bridgford School through the technological aptitude assessment. The West Bridgford School may allocate up to 10% (21) of its places based on technological aptitude, if it has any places remaining available after offers have been made to all those who live in the catchment area at the time of the Common Application. Passing the assessment does not constitute an offer of a place.

The assessment will take place at the school on the date listed below and will take the form of a paper exercise lasting approximately one hour. Your child should bring a pen, pencil, rubber and sharpener with which to complete the assessment. On the assessment day, we require you to bring some form of photo identification for your child. This can be either a passport or recent photograph taken of your child which has been authenticated on the reverse side by their current primary head teacher.

Please complete the enclosed Aptitude Assessment Application Form and return this to the school at least 10 days before your preferred assessment date.

Sitting the assessment is not considered an application in itself; parents **must** also complete the Common Application (CA) for Nottinghamshire Schools and return it to the local authority in the usual way.
