

HISTORY @ WBS YEAR 10 ROADMAP

AIM: In Year 10, you will develop your ability in explaining the causes, course and consequence of events in the USA 1920-1973 and the Cold War 1945-1972. At timetable promotion, we will also be moving on to explore the Medieval period within the Health and People c.1000 to the present topic. You will build on skills established throughout KS3 when exploring different interpretations of the past and reaching judgements as to the accuracy of those interpretations. You will be able to write balanced and well justified arguments about the causes and consequences of events across all aspects of the GCSE combining both skills and contextual knowledge.
