

Key Stage 3  
PE Curriculum  
'Road Map'

**Curriculum Intent** – To build on the skills you have learnt in Key Stage 2 PE, to create competent and confident learners who master techniques within a range of sports. To understand what makes a performance effective and how you can apply these principles to your own and others' work. To develop confidence to participate in activities outside of school and to understand the long term effects of exercise.

Curriculum Area

Outwitting Opponents

Developing Skills and Performance

Outdoor and Adventurous Activities

Analysing and Evaluating Performance

Making Informed Choices about Healthy, Active Lifestyles

Description of concept

Use a range of tactics and strategies to overcome opponents in direct competition in individual and team sports such as **Badminton, Basketball, Cricket, Football, Handball, Hockey, Netball, Rounders, Rugby, Volleyball, Tennis and Table Tennis.**

To replicate skills, develop technique and improve performance in other competitive activities such as **Swimming, Athletics and Gymnastics.**
