

Welcome to Year 10 Geography

Welcome to your GCSE Geography course. Here you will find the information and homework for the year.

The course is the AQA GCSE Geography spec: 8035.

There are plenty of text books, revision guides and exam practice booklets available.

There are 3 papers at the end of year 11- a physical geography paper, a human geography paper and a geographical skills paper.

We will carry out 2 pieces of fieldwork over the course, one rivers based and one urban focused.

Your homework will be set as required by your teacher but there will be several larger tasks to work through over a few weeks which will be the same for all.

Below is the overview for the course with approximate dates.

Long term plan for GCSE Geography 1-9 starting 2016.
