

Welcome to Year 10 History

Students follow the AQA GCSE History programme. In the first year of examination study, pupils cover the U.S.A 1920-73 and the Cold War 1945-70. Through the delivery of this content, teachers will ensure that students engage with the skills and techniques required to achieve success on the Unit 1 exam.

Assessment

Assessment will take the form of exam style questions and will occur at least once every half term. There will be a mock exam at the end of Year 10.

Homework

Homework will be set by the class teacher and students should expect at least three pieces per half term.
