- Written exam: 1 hour 45 minutes
- 80 marks
- 50% of GCSE

Questions

- Section A: 10 multiple choice questions followed by a range of calculation, short and extended response questions.
- Section B: five questions involving a mix of calculations, short and extended responses.

The Economic Cycle

What is economics?

Economics is a dynamic subject - what you and your parents may hear on the news one evening becomes part of your lesson the next day. It is about decision making;

- For consumers on what we buy and how much we pay
- For firms on how much to sell and for what price
- For government on how best to allocate scarce resources and ensure basic human needs are met
