Their Mission:

"Guru" meaning "Teacher" and "Nanak" being his given name, the foundation is inspired by Guru Nanak and aim to fulfill his mission.

"At Guru Nanak's Mission, we believe no one should go hungry"

They:

- Donate food items to people in need
- Donate toys to kids
- Provide emergency food parcels

Homelessness in our hometown:

Due to high cost of living in the past decade:

- About 34.6% of children in Nottingham City live in poverty. That's one in every three of us!
- 13.6% of families in Nottingham cannot afford to heat their homes and have to live through severe cold storms without access to heating facilities.

Charities like Guru Nanak's Mission Charity help people around us who cannot afford basic life necessities and to do that, they need YOUR help.
