Mr T Peacock B.Sc (Hons)
Headteacher

Dear Parent/Carer,

June 2026

Year 7 Maths Packs

As your child approaches their new life at The West Bridgford School, the Mathematics Department would like to offer you the opportunity to equip them with the essentials required for their Maths lessons. All students are expected to bring to every lesson a pen, pencil, rubber, ruler and a scientific calculator. For some lessons they will also require a compass and a protractor.

A Maths pack is available to purchase which comprises:

- The Casio FX-83GT CW+ calculator which will take pupils all the way through their mathematical studies including GCSE exams. This is a new model for 2026; your child will benefit from having this model as we can best support them with its use.
- A Maths equipment pack which contains a 30cm ruler, a pencil and sharpener, a protractor, a pair of compasses, a rubber and a transparent pencil case.

The cost of this package is **£10.75**. If ordered now, students will receive this during the first half term.

If you wish to purchase a Maths pack then please pay online, using ParentPay, by following the steps below.

- Go onto your child's account on ParentPay, then select 'Year 7 Maths Pack 2026'.
- Make the £10.75 payment online.

Deadline for orders is **Sunday 13th September 2026**.

If you wish to pay online for the Maths pack, but have yet to register for ParentPay, please email Parentpay@wbs.school. You will then be forwarded registration details. This will allow all your future payments to be made through the online system.

If you have any queries regarding this matter, please do not hesitate to contact me at school.

Yours sincerely,
Mrs Y von Oven
Head of Maths
