

German @ WBS Year 11 Roadmap

BT

Subject Aim: In Y11 you will explore **The Wider World** from an international and global perspective. We will encourage you to become **resilient** to challenges and **promote** a lifelong **commitment** to language learning.

Key themes this year are holiday experiences, education and future careers and global and international issues such as the environment, poverty, homelessness and campaigning. This will afford you a **wider perspective** of the world we live in, enabling you to become more a more **analytical, reflective** learner.

Autumn Term	Unit 7 – Travel and tourism		Assessment	
	Describing holidays and activities in the past, present and future as well as giving information about places of interest. You will deepen your knowledge of the tenses and how to manipulate them to give more detail.		You will have 3 Key Assessments in class this year and a mock in February / March.	
Spring Term	Unit 8 – Media and technology		Homework and Revision	
	Discussing social media, television and the future of technology. You will work on comparing things and giving positive and negative opinions.		Homework will be set on Arbor and will consist of:	
Summer Term	Unit 9 – Environment and where people live		• Vocab learning – on Carousel • Home and Workbook – will be sent home with you, this will be assigned at the start of the unit and due at the end before the assessment. • Mini checkpoints for revision – on Kerboodle • Speaking questions – set at the end of each theme	
	You will learn how to talk about environmental issues, how we could save the planet as well as the places people live. You will describe towns and what you can do there.		Reminders of assessments are published on Arbor and each assessment will revisit all the previous content of the course. This means you need to revise the recent topics but also revisit the old ones. Once the course is completed, we will start to revise in lessons.
