

Art and Design Challenges

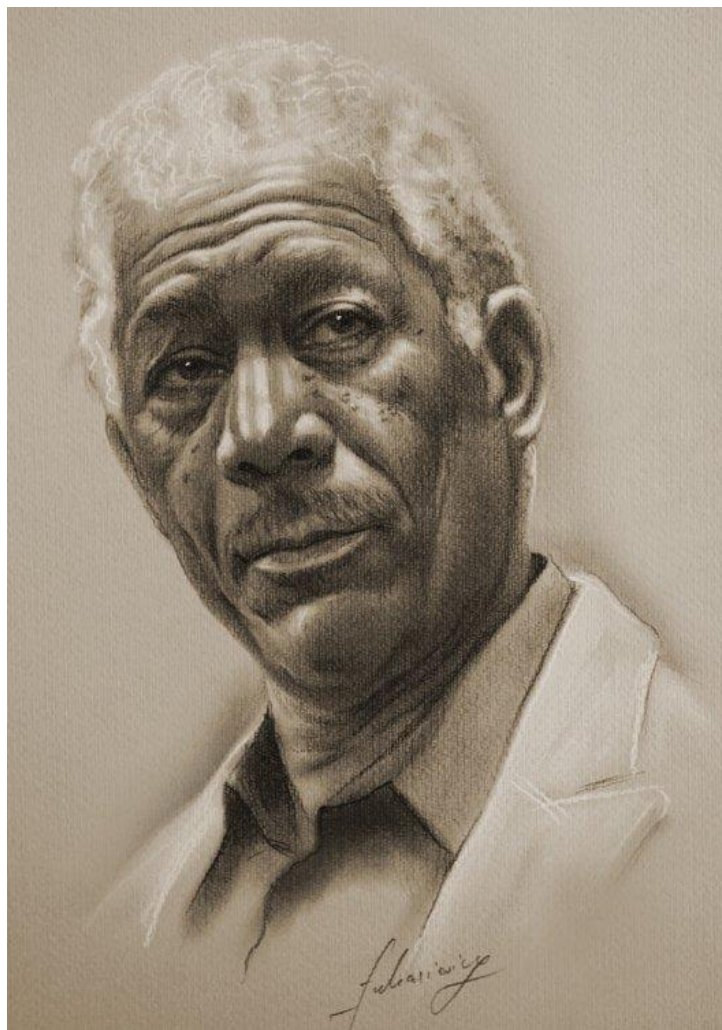

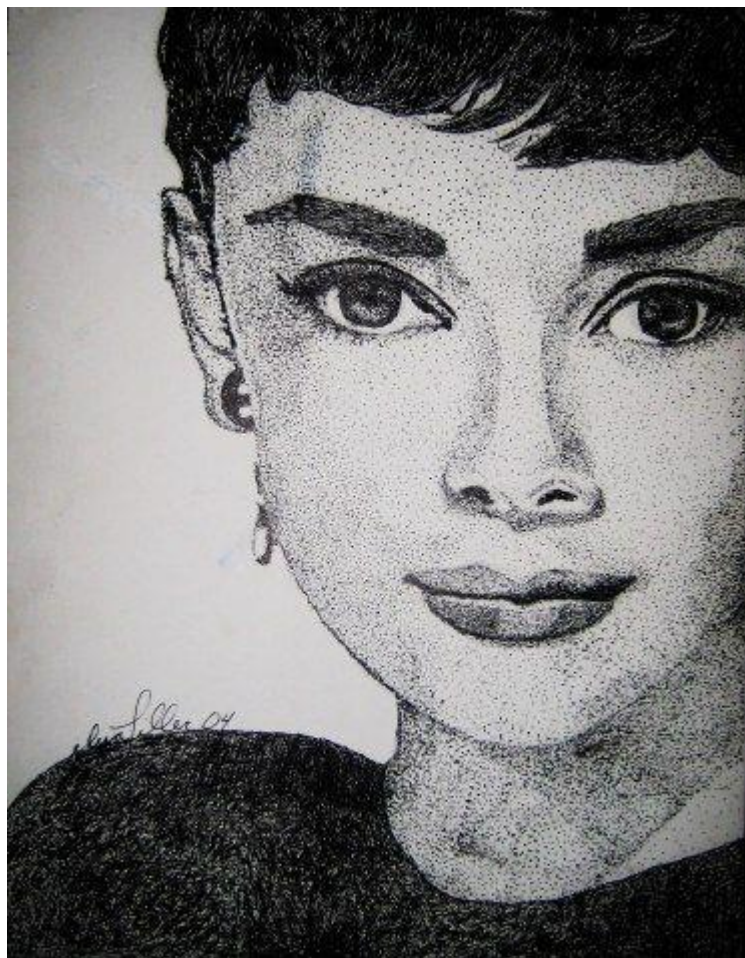

Each half term the Creative Design department sets an Art challenge and a Design challenge. Any year group can enter and you can do one challenge or both if you wish.

- All the work must be your own original Art or Design work
- The work must be submitted by the deadline.

There are prizes and rewards for participants and winners.

Art challenge

- Draw a detailed portrait (head and shoulders) of a famous person, you can work from an image from the internet or magazine.
- You can work in any materials you like.
- Do not work any bigger than A3.
- Try to be as detailed as possible.

Design Challenge

- Create a showstopper challenge cake on the theme of the new year – 2019.
- This must be an ambitious and exciting cake.
- You will bake the cake at home and decorate it to reflect the theme. You must bring in a note to verify it has been hand made at home and also a taste review.
- Photograph it from a few different angles.
- Bring in or email the photo to Mrs Hart.

- **Deadline for both challenges is Monday 11th February.**
