

Excellence in Post-16 Study

The West Bridgford School

Specialist Technology Academy

Post-16 Virtual Open Evening

Friday 23rd October 2020 6pm-8pm

Why Choose The West Bridgford School?

- The vast majority of our students go on to University or other higher education.
- We have a high success rate in entry to highly selective universities.
- In 2019/20, we sent 8 students to Oxford and Cambridge and 10 to study Medicine.
- We offer extensive and very experienced support for University entrance.
- We are big enough to ensure a wide curriculum and the opportunity to make new friends.
- We are small enough to know you very well and take good care of you.
- Our teachers are very well qualified and experienced and they are easily available to talk to you when you need support.
- We will set you demanding targets and support you to achieve them.
- You will be allocated a tutor and based in a purpose-built Post-16 building which gives you space to be grown up.

Ofsted agrees with us

*“The **outstanding** care, guidance and support in the sixth form, which students describe as ‘second to none’, secure excellent rates of attendance, retention and progression into higher education”*
